Mr. Ghanta Venugopal  
Managing Director

# From the Managing Director

With over three decades of experience in the port and industrial sectors, Mr. Ghanta Venugopal brings a visionary perspective to construction. Under his leadership, Krishnapatnam Constructions Pvt. Ltd. (KCPL), established in 2018, has rapidly grown into a formidable force, achieving a turnover of INR 105 crores in a short span. This growth reflects KCPL's unwavering focus on quality, innovation, and operational excellence.

At KCPL, construction is more than assembling structures — it is about creating resilient foundations for the future. Guided by Mr. Venugopal's belief in the transformative power of infrastructure, the company has built strong partnerships, embraced technology, and fostered a culture of precision, collaboration, and agility.

As KCPL moves forward, it remains committed to delivering infrastructure solutions that meet today's needs while anticipating tomorrow's aspirations, with sustainability, safety, and community development at its core.

Mr. Balakrishna Sai Ghanta  
Executive Director

## From the Executive Director

Mr. Balakrishna Sai Ghanta holds a Master's in Construction Management from Deakin University, Australia, and a Bachelor's in Civil Engineering from Vellore Institute of Technology. He brings a rare blend of technical expertise and commercial leadership to Krishnapatnam Constructions Pvt. Ltd.

His career with leading construction firms in Australia has seen him deliver high-value projects across Defence, Infrastructure, Commercial, and Industrial sectors, always upholding strict standards of safety, quality, and compliance. With expertise in civil construction, contract administration, and project management, he is recognised for building efficient systems, leading multidisciplinary teams, and delivering results with precision.

As Director, Mr. Balakrishna provides strategic leadership focused on integrity, innovation, and sustainability, fostering collaborative partnerships and creating long-term value for clients, stakeholders, and communities.

## About Company

Founded in 2018, Krishnapatnam Constructions Pvt. Ltd (KCPL Infra Visionaries) has grown into a trusted name in the construction and infrastructure sectors. With an asset-light business model and strong partnerships with equipment rental agencies, we ensure faster mobilization of manpower, plant, and machinery, enabling quicker project completion and cost-effective solutions for our clients.

Specializing in Civil & MEP Works and Project Management Services, KCPL has built a reputation for delivering high-quality projects that exceed expectations. Our distinguished clientele includes Krishnapatnam Port, Divis Laboratories, Natco Pharma Ltd, 3F Industries Ltd, AdaniWilmar, Bunge India Pvt Ltd, Gangavaram Port, and Rural Road Works under Panchayat Raj.

Operating primarily in and around Nellore District, Andhra Pradesh, KCPL is driven by a commitment to innovation, efficiency, and building lasting relationships. We take pride in shaping the future of construction with sustainable practices, advanced technology, and a focus on delivering excellence in every project.

# Vision & Mission

## Vision

At KCPL, we aim to be a leading service provider in the construction industry by leveraging viable assets to ensure faster mobilization of manpower, plant, and machinery. Our focus is on delivering quicker project completion and reducing costs for our clients, while maintaining the highest standards of quality and efficiency. We are committed to shaping the future of construction through innovation, sustainability, and creating a positive impact on the communities we serve.

## Mission

We are committed to delivering high-quality construction solutions by optimizing resources, ensuring efficient project management, and fostering strong client relationships. Through the use of advanced technology and innovative practices, we ensure precision, safety, and efficiency in every project. Our mission is to build not just structures, but enduring legacies of excellence, trust, and sustainability.

# Our Services

## **Civil & Structural Works**

We deliver end-to-end civil and structural solutions, from groundwork to superstructures, with uncompromising quality and precision.

## **Marine Infrastructure**

Our expertise in marine works includes ports, jetties, and waterfront structures, engineered to withstand harsh coastal conditions.

## **Project Management Consulting (PMC)**

We provide disciplined oversight of budgets, schedules, and quality—ensuring projects remain on track from planning to handover.

## **Construction Support**

We strengthen execution with reliable RMC supply, skilled manpower, and equipment rentals, keeping projects efficient and uninterrupted.

# Why Partner with **KCPL INFRA?**

## **1. Engineering-Led Leadership**

Decades of hands-on engineering expertise guide every project, ensuring precision and innovation.

## **2. Lean Execution Model**

Our asset-light approach controls costs, accelerates delivery, and drives efficiency.

## **3. Fast Mobilization**

With skilled manpower and modern machinery, we start projects quickly and sustain steady progress.

## **4. End-to-End Capabilities**

From civil and structural works to marine infrastructure and PMC services, we deliver complete solutions under one roof.

## **5. On-Time Delivery**

Strict planning and disciplined execution keep schedules on track without compromising quality.
